

Steps To Creating Your Own Resale Rights Product Using PLR Content

1. Pick your topic (*Example: Blogging As An Affiliate*)
2. Find PLR content for your topic. Remember you can use multiple PLR products to make your "new" products. (*See below for resources!*)
3. Go through the content that you find and make sure it's good content.
4. Tweak your content so that you have a "new" product.
5. Rename the product using your own new title.
6. Get new graphics.
7. Add your own branding. (*Example: About the author page*)
8. Add graphics to "new" product you create.
9. Use graphics to create new salesletter and download page for your "new" product.
10. Repackage and then rinse and repeat until you have 3-5 that you can sell as a package!
